"IT IS REFRESHING"---

When you have tried and failed what is more invigorating than to have a stout hearted friend take you by the hand and lead you on to success? "It is refreshing to find a newspaper that fulfills its promises," says the writer of the following letter:

THE SUN AND NEW YORK HERALD,
Herald Square, New York City.

In these days of exaggregated exterments if is refreshing to find a newspaper that can fulfill its claims and promises.

After using another morning paper without any success, I inserted a Furnished Room advertisement in your paper. This small three line advertisement succeeded in renting all my rooms.

I intend to make THE SUN AND NEW YORK HERALD my exclusive advertising medium and to recommend it to my friends at every opportunity.

(Mrs.) M. S. THOMPSON.

You have perhaps noticed before now that the Furnished Room columns of THE SUN AND NEW YORK HERALD are veritable result-getters. But were you aware that these columns are typical of the whole Classified section?
